

LUCK-IN

SINCE 1970 • BASED IN TAIWAN

SEALING SOLUTIONS

Closure Seals & Wads ♦ Cap Liners ♦ Induction Foil Seals ♦ Heat Seal Films

About Us

- ◆ Established in 1970 with 50+ years of PE foam expertise
- ◆ Specializing in low-ratio foaming and thin-gauge PE sheets and films
- ◆ Providing precision liners and custom packaging for sealing and protection
- ◆ Serving food, beverage, cosmetics, electronics, and industrial sectors
- ◆ Focused on quality, sustainability, and long-term partnerships.

Resource Integration

- ◆ Offering vertically integrated production, from R&D to mass manufacturing, with full quality control by our Taiwan-based team
- ◆ Leveraging facilities in both Taiwan and China to deliver high-quality, cost-effective solutions tailored to diverse industry needs.

Vertically Integrated Manufacturing

Sealing Solutions

EPE Foam Cap Liners

- ◆ **Features:** Soft, compressible seal with leak protection and cushioning.
- ◆ **Materials:** EPE/ PE coated/ PP laminated
- ◆ **Applications:** Food & beverage, pharma, cosmetics, chemicals and more.

Pressure Sensitive Liners

- ◆ **Features:** Heat-free, torque-activated, clean removal, easy to apply
- ◆ **Applications:** Dry foods and non-liquid supplements

Induction Foil Seals & Wads

- ◆ **Features:** Airtight, leak-proof, tamper-evident, and high-barrier sealing
- ◆ **Tab Options:** Single-tab, triple-tab, and pull-tab types
- ◆ **Applications:** Beverage, pharma, industrial chemicals, engine oil, and more.

Heat Seal Films

- ◆ **Features:** Custom printing, barrier protection, and easy peel
- ◆ **Applications:** Instant noodles, yogurt, ice cream lids, and more

Vented Liners

- ◆ **Features:** Pressure-regulating, moisture-resistant, and leak-proof
- ◆ **Applications:** Ideal for liquid products prone to volatility or gas generation, such as pesticides, food additives, and fermentation liquids.

Coffee Capsule Cups & Lids

- ◆ Compatible with Nespresso systems
- ◆ Excellent oxygen barrier to preserve aroma
